Minnesota WIC Information System

(****) means there were fewer than 30 in the denominator. 0 means zero.

City of residence provided in CHB/city groups where 100 or more infants were born during 2012 with the exception of Edina, which was included due to its CHB status.

Undup Total = Participants were counted once per year by WIC type at the first time they received services that year. Parentheses indicate the percent of the Unduplicated (Undup) Total. Unduplicated totals (in the first column with numbers) exclude participants with unknown (UNK) race/ethnicity, which are counted in the last column.

NH refers to Non Hispanic.

Asian NH = includes Asian and Native Hawaiian and Pacific Islander race categories.

Black/African Amer NH =
includes African born and
African American races.
