1. Minnesota's [Early Childhood Screening program \(https://education.mn.gov\)](https://education.mn.gov) is targeted for ages 3-4 years; this screening is required prior to public school entrance.
2. Head Start programs follow state EPSDT standards for screening.
3. [Child and Teen Checkups \(C&TC\) \(https://mn.gov/dhs/\)](https://mn.gov/dhs/) is Minnesota's Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Program for Medicaid-eligible children birth through 20 years of age.
4. [Family Home Visiting \(www.health.state.mn.us/fhv/\)](http://www.health.state.mn.us/fhv/) programs (through state and federal funding) provide services, prenatal to 3 years.
5. Minnesota's [Follow Along Program \(www.health.state.mn.us/mnfap\)](http://www.health.state.mn.us/mnfap) is a local public health screening program targeted for children ages birth up to 3 years.
6. Mental health professionals in Minnesota's [Early Childhood System \(https://mn.gov/dhs/\)](https://mn.gov/dhs/) provide developmental screening as a part of their assessment for young children.
7. Child welfare services provides social-emotional or mental health [screening \(https://mn.gov/dhs/\)](https://mn.gov/dhs/) to children in child protective services or out-of-home placement.
