Here's how:

1. Set up a user account if you don't already have one. Anyone can create an account in MN.TRAIN. There is no cost. (State employees should already have an account.)

 - B. Review MN.TRAIN policies and check the "Agree" box. Click "Next."
 - C. Enter all required profile information. Click "next."
 - D. If you are NOT a state employee, click the "Select Groups" button and select "Not a State Employee." Select the region where you live, and the county in which you work.
 - E. Select ODP discipline (the field in which you work). Click the "Submit" button below the map.
2. Register for the course (see Course ID# on page 1).
3. After the event, log back in to mark your course "completed" and save or print your contact hour certificate, if desired. You can also store your certificates on your MN.TRAIN account, and print a transcript later.
