

X-ray Equipment Disposal

This list does not include all organizations, nor does it constitute an endorsement or recommendation of any individual organization by MDH.

Disposing Equipment

To dispose of x-ray equipment, please contact your service provider. There is a list of service providers in your area on our website at www.health.state.mn.us/xray, click on Service Provider.

Recycling Equipment

If you are interested in recycling used x-ray film, transformers, lead aprons/gloves, mercury, or silver, a list of businesses that provide that service are below.

Donating Equipment

If you are interested in donating your x-ray equipment to a nonprofit organization, here is a list of organizations that we are aware of.

- Project C.U.R.E. <https://projectcure.org/procure>
- AmeriCares <https://www.americares.org/en/take-action/partner/>
- Medical Bridges <http://www.medicalbridges.org/donate/medical-supplies-and-equipment>
- Global Health Ministries <https://www.ghm.org/donate-supplies>
- Samaritan's Purse <https://www.samaritanspurse.org/medical/world-medical-mission-donating-materials/>
- Africa Partners Medical <http://www.africapartnersmedical.org/donate/>
