

## MDH MDS 3.0 WebEx Presentations

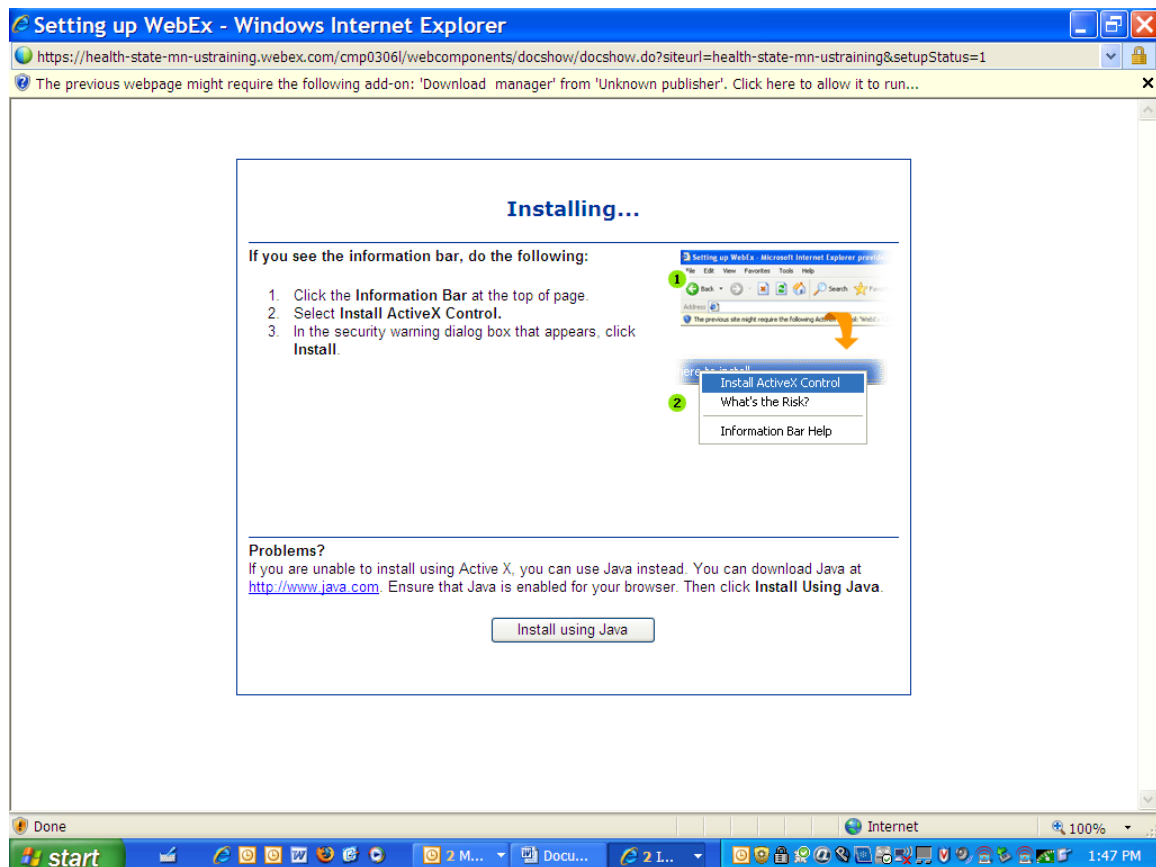

MDH will be producing a series of WebEx presentations on the implementation of MDS 3.0 including coding the various sections, submission and correction requirements, as well as RUGS, and Case Mix requirements.

The WebEx may be viewed at the following address: <https://health-state-mn-ustraining.webex.com/mw03061/mywebex/default.do?siteurl=health-state-mn-ustraining>.

Under “Attend a Session” on the left hand side of the page click on “Recorded Session” then select the WebEx you wish to view. All of the presentations will start with the words “MDS 3.0- “

After you have clicked on the session you wish to view click on the View Box

You may get a screen that looks like the following:

Check with your IT department to determine if you should use either Active X Control or Java to view the presentation.

**Note:** If you are unable to view the whole slide on screen, check with your IT department as your monitor settings may need to be adjusted.

When MDH adds new WebEx presentations to the list to be viewed they will be announced on the Minnesota MDS 3.0 website.

The following WebEx presentations have been posted along with a PDF of the slides/handouts and a copy of the script:
