RE: Project Number(s) SL39368015

Dear Licensee:

This is your **official notice** that you have been **granted your assisted living facility license**. Your license effective and expiration dates remain the same as on your provisional license. Your updated status will be listed on the license certificate at renewal and **this letter serves as proof** in the meantime. If you have not received a letter from us with information regarding renewing your license within 60 days prior to your expiration date, please contact us at (651) 201-5273 or by email at Health.assistedliving@state.mn.us.

The Minnesota Department of Health completed an initial survey on October 6, 2023, for the purpose assessing compliance with state licensing statutes. At the time of the survey, the Minnesota Department of Health noted violations of the laws pursuant to Minnesota Statute, Chapter 144G.

The Department of Health concludes the licensee is in substantial compliance. State law requires the facility must take action to correct the state correction orders and document the actions taken to comply in the facility's records. The Department reserves the right to return to the facility at any time should the Department receive a complaint or deem it necessary to ensure the health, safety, and welfare of residents in your care.

STATE CORRECTION ORDERS

The enclosed State Form documents the state correction orders. The Department of Health documents state correction orders using federal software. Tag numbers are assigned to Minnesota state statutes for Home Care Providers. The assigned tag number appears in the far left column entitled "ID Prefix Tag." The state statute number and the corresponding text of the state statute out of compliance are listed in the "Summary Statement of Deficiencies" column. This column also includes the findings that are in violation of the state statute after the statement, "This MN Requirement is not met as evidenced by . . ."

In accordance with Minn. Stat. § 144G.31 Subd. 4, MDH may assess fines based on the level and scope of the violations; **however, no immediate fines are assessed for this survey of your facility.**

DOCUMENTATION OF ACTION TO COMPLY

Per Minn. Stat. § 144G.30, Subd. 5(c), the licensee must document actions taken to comply with the correction orders within the time period outlined on the state form; however, plans of correction are not required to be submitted for approval.

The correction order documentation should include the following:

- Identify how the area(s) of noncompliance was corrected related to the resident(s)/employee(s) identified in the correction order.
- Identify how the area(s) of noncompliance was corrected for all of the provider's residents/employees that may be affected by the noncompliance.
- Identify what changes to your systems and practices were made to ensure compliance with the specific statute(s).

CORRECTION ORDER RECONSIDERATION PROCESS

In accordance with Minn. Stat. § 144G.32, Subd. 2, you may challenge the correction order issued, including the level and scope, and any fine assessed through the correction order reconsideration process. The request for reconsideration must be in writing and received by the Department of Health within 15 calendar days of the correction order receipt date.

A state correction order under Minn. Stat. § 144G.91, Subd. 8, Free from Maltreatment is associated with a maltreatment determination by the Office of Health Facility Complaints. If maltreatment is substantiated, you will receive a separate letter with the reconsideration process under Minn. Stat. § 626.557.

Please email reconsideration requests to: **Health.HRD.Appeals@state.mn.us**. Please attach this letter as part of your reconsideration request. Please clearly indicate which tag(s) you are contesting and submit information supporting your position(s).

Please address your cover letter for reconsideration requests to:

Reconsideration Unit
Health Regulation Division
Minnesota Department of Health
P.O. Box 64970
85 East Seventh Place
St. Paul, MN 55164-0970

You are encouraged to retain this document for your records. It is your responsibility to share the information contained in the letter and/or state form with your organization's Governing Body.

If you have any questions, please contact me.

Sincerely,
