RE: CCN: 245499
Cycle Start Date: August 4, 2022

Dear Administrator:

On August 18, 2022, we notified you a remedy was imposed. On September 23, 2022 the Minnesota Departments of Health and Public Safety completed a revisit to verify that your facility had achieved and maintained compliance. We have determined that your facility has achieved substantial compliance as of September 15, 2022.

As authorized by CMS the remedy of:

- Discretionary denial of payment for new Medicare and Medicaid admissions effective September 17, 2022 did not go into effect. (42 CFR 488.417 (b))

In our letter of August 18, 2022, in accordance with Federal law, as specified in the Act at § 1819(f)(2)(B)(iii)(I)(b) and § 1919(f)(2)(B)(iii)(I)(b), we notified you that your facility was prohibited from conducting a Nursing Aide Training and/or Competency Evaluation Program (NATCEP) for two years from September 17, 2022 due to denial of payment for new admissions. Since your facility attained substantial compliance on September 15, 2022, the original triggering remedy, denial of payment for new admissions, did not go into effect. Therefore, the NATCEP prohibition is rescinded. However, this does not apply to or affect any previously imposed NATCEP loss.

The CMS Region V Office may notify you of their determination regarding any imposed remedies.

Feel free to contact me if you have questions.

Sincerely,

Pine View Rehabilitation And Senior Living
