RE: CCN: 245293
Survey Cycle Start Date: December 21, 2020

Dear Administrator:

On December 21, 2020 a survey was completed at your facility by the Minnesota Department of Health to investigate complaints to determine if your facility was in compliance with Federal participation requirements for skilled nursing facilities and/or nursing facilities participating in the Medicare and/or Medicaid programs. At the time of survey, the complaints were substantiated but no deficiencies were issued, because corrective action was taken prior to the survey. A plan of correction is not required.

Also at the time of this survey, the investigator also assessed compliance with Minnesota Department of Health Nursing Home Rules. The investigator from the Minnesota Department of Health, found no violations of these rules promulgated under Minnesota Statute § 144.653 and/or Minnesota Statute § 144A.10.

Electronically attached is your copy of the Federal CMS-2567 Form and State Form.

Please note it is your responsibility to share the information contained in this letter and the results of this visit with the President of your facility's Governing Body. Feel free to contact me if you have questions.

Sincerely,

A handwritten signature in black ink that reads 'Kamala Fiske-Downing'.
