Electronically delivered

Administrator Centennial Gardens For Nursing & Rehabilitation 3245 Vera Cruz Avenue North Crystal, MN 55422

RE: CCN: 245289 Cycle Start Date: June 24, 2020

Dear Administrator:

On June 24, 2020, a survey was completed at your facility by the Minnesota Department of Health to determine if your facility was in compliance with Federal participation requirements for skilled nursing facilities and/or nursing facilities participating in the Medicare and/or Medicaid programs.

We are pleased to inform you that this survey resulted in no deficiencies being issued.

The CMS-2567 is being electronically delivered.

Feel free to contact me if you have questions.

Sincerely,

Mitig

Melissa Poepping, Health Program Representative Senior Program Assurance | Licensing and Certification Minnesota Department of Health P.O. Box 64970 Saint Paul, Minnesota 55164-0970 Phone: 651-201-4117 Email: melissa.poepping@state.mn.us

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
