RE: CCN: 245164  
Cycle Start Date: September 1, 2022

Dear Administrator:

On October 13, 2022, the Centers for Medicare and Medicaid Services (CMS) informed you that remedies were imposed. On October 26, 2022 the Minnesota Departments of Health and Public Safety completed a revisit to verify that your facility had achieved and maintained compliance. We have determined that your facility has achieved substantial compliance as of October 25, 2022.

As authorized by CMS the remedy of:

- Mandatory denial of payment for new Medicare and Medicaid admissions effective December 1, 2022 did not go into effect. (42 CFR 488.417 (b))

In our letter of September 15, 2022, in accordance with Federal law, as specified in the Act at § 1819(f)(2)(B)(iii)(I)(b) and § 1919(f)(2)(B)(iii)(I)(b), we notified you that your facility was prohibited from conducting a Nursing Aide Training and/or Competency Evaluation Program (NATCEP) for two years from December 1, 2022 due to denial of payment for new admissions. Since your facility attained substantial compliance on October 25, 2022, the original triggering remedy, denial of payment for new admissions, did not go into effect. Therefore, the NATCEP prohibition is rescinded. However, this does not apply to or affect any previously imposed NATCEP loss.

The CMS Region V Office may notify you of their determination regarding any imposed remedies.

Feel free to contact me if you have questions.

Sincerely,
