SUBJECT: SURVEY RESULTS CCN: 245237 Cycle Start Date: April 7, 2020

Dear Administrator:

SUSPENSION OF SURVEY AND ENFORCEMENT ACTIVITIES

The Centers for Medicare & Medicaid Services (CMS) is committed to taking critical steps to ensure America's health care facilities are prepared to respond to the threat of disease caused by the 2019 Novel Coronavirus (COVID-19). In accordance with *Memorandum QSO-20-20-All*, CMS is suspending certain Federal and State Survey Agency surveys, and delaying revisit surveys, for all certified provider and supplier types.

During this time, CMS is prioritizing and conducting only the following surveys: focused infection control surveys, investigations of complaints and facility-reported incidents that are triaged at the Immediate Jeopardy (IJ) level, and revisit surveys for unremoved IJ level deficiencies. With the exception of unremoved IJs, CMS will also be exercising enforcement discretion during the suspension period. For additional information on the prioritization of survey activities please visit https://www.cms.gov/files/document/qso-20-20-allpdf.pdf-0.
