Housing with Services Establishment  
**MN STATUTE 144G ASSISTED LIVING CHECKLIST**

Registered nurses from the Minnesota Department of Health (MDH) use this Check List during on-site visits to determine if a Housing with Services (HWS) establishment who represents itself as assisted living or offers assisted living services meets the MN Statute 144G minimum requirements. Registrants may use the optional HWS Assisted Living Worksheet which is available on the MDH web-site to communicate how they meet the requirements. Completing the HWS Assisted Living Worksheet in advance may facilitate the MN Statute 144G review process.

During an on-site visit, reviewer(s) will interview staff and clients and/or their representatives, make observations and review documentation. The review is an opportunity for the Housing with Services establishment to explain to the reviewer(s) what systems are in place to assure the minimum assisted living requirements are met.

The minimum requirements of MN Statute 144G are reviewed during a home care provider survey. A determination is made whether the requirements are met or not met.
