Re: Results of State Licensing Survey

Dear Ms. Ewumi:

The above agency was surveyed on July 6 and 7, 2009, for the purpose of assessing compliance with state licensing regulations. State licensing deficiencies, if found, are delineated on the attached Minnesota Department of Health (MDH) correction order form. The correction order form should be signed and returned to this office when all orders are corrected. We urge you to review these orders carefully, item by item, and if you find that any of the orders are not in accordance with your understanding at the time of the exit conference following the survey, you should immediately contact me, or the RN Program Coordinator. If further clarification is necessary, I can arrange for an informal conference at which time your questions relating to the order(s) can be discussed.

A final version of the Licensing Survey Form is enclosed. This document will be posted on the MDH website.

Also attached is an optional Provider questionnaire, which is a self-mailer, which affords the provider with an opportunity to give feedback on the survey experience.

Please note, it is your responsibility to share the information contained in this letter and the results of this visit with the President of your facility's Governing Body.

Please feel free to call our office with any questions at (651) 201-4301.

Sincerely,

Class F Home Care Provider

LICENSING SURVEY FORM

Registered nurses from the Minnesota Department of Health (MDH) use this Licensing Survey Form during on-site visits to evaluate the care provided by Class F home care providers (Class F). Class F licensees may also use this form to monitor the quality of services provided to clients at any time. Licensees may use their completed Licensing Survey Form to help communicate to MDH nurses during an on-site regulatory visit.

During an on-site visit, MDH nurses will interview staff, talk with clients and/or their representatives, make observations and review documentation. The survey is an opportunity for the licensee to explain to the MDH nurse what systems are in place to provide Class F Home Care services. Completing this Licensing Survey Form in advance may facilitate the survey process.

Licensing requirements listed below are reviewed during a survey. A determination is made whether the requirements are met or not met for each Indicator of Compliance box. This form must be used in conjunction with a copy of the Class F home care regulations. Any violations of Class F Home Care Provider licensing requirements are noted at the end of the survey form.

Please note: Although the focus of the licensing survey is the regulations listed in the Indicators of Compliance boxes above, other rules and statutes may be cited depending on what system a provider has or fails to have in place and/or the severity of a violation. The findings of the focused licensing survey may result in an expanded survey.

SURVEY RESULTS: All Indicators of Compliance listed above were met.

For Indicators of Compliance not met, the rule or statute numbers and the findings of deficient practice are noted below.

1. MN Rule 4668.0030 Subp. 5

INDICATOR OF COMPLIANCE: # 2

Based on record review and interview, the licensee failed to have the client acknowledge receipt of the Minnesota Home Care Bill of Rights for one of one client’s (#1) record reviewed. The findings include:

Client #1’s record lacked acknowledgement of receipt of the Minnesota Home Care Bill of Rights.

When interviewed July 6, 2009, the program director stated the bill of rights was given to the client on admission, but the client’s record did not contain written acknowledgement of receiving the bill of rights.

2. MN Rule 4668.0805 Subp. 4**INDICATOR OF COMPLIANCE: # 3**

Based on record review and interview, the licensee failed to retain documentation that each employee had completed orientation to home care for one of two employees' (B) records reviewed. The findings include:

Employee B's record lacked evidence he had received orientation to home care.

When interviewed July 6, 2009, the program director stated she thought employee B had received orientation to home care at a previous employer and confirmed employee B's record lacked documentation of orientation to home care.

3. MN Rule 4668.0810 Subp. 5**INDICATOR OF COMPLIANCE: # 4**

Based on record review and interview, the licensee failed to ensure that entries in the client's record were authenticated with the name of the person making the entry in one of one client's (#1) record reviewed. The findings include:

Client #1's record contained narrative notes dated May 27, 2009, to July 3, 2009, which were only initialed by the person making the entry.

When interviewed July 6, 2009, the program director confirmed the narrative notes were only initialed by the person making the entry.

4. MN Rule 4668.0815 Subp. 4**INDICATOR OF COMPLIANCE: # 1**

Based on record review, observation and interview, the licensee failed to provide a complete service plan for one of one client's (#1) record reviewed. The findings include:

Client #1's service plan, dated August 25, 2008, did not include central storage of medication and medication set up, which was observed on July 6, 2009, for client #1.

When interviewed July 6, 2009, the program administrator stated they had central storage of medications and medication set up in place and would correct the service plan.

5. MN Rule 4668.0855 Subp. 9**INDICATOR OF COMPLIANCE: # 6**

Based on record review, observation and interview, the licensee failed to have complete medication records for one of one client's (#1) record reviewed.

Client #1's medications were observed set up in a weekly medication container. The licensed staff that performed the weekly set-up of medication had not documented each medication set-up.

When interviewed July 6, 2009, the program director stated the registered nurse set up the medications and they will make the corrections.

A draft copy of this completed form was left with Elizabeth Ewumi at an exit conference on July 7, 2009. Any correction order(s) issued as a result of the on-site visit and the final Licensing Survey Form will be sent to the licensee. If you have any questions about the Licensing Survey Form or the survey results, please contact the Minnesota Department of Health, (651) 201-4301.
