Re: Results of State Licensing Survey

Dear Ms. Iverson:

The above agency was surveyed on July 11 and 14, 2008, for the purpose of assessing compliance with state licensing regulations. State licensing deficiencies, if found, are delineated on the attached Minnesota Department of Health (MDH) correction order form. The correction order form should be signed and returned to this office when all orders are corrected. We urge you to review these orders carefully, item by item, and if you find that any of the orders are not in accordance with your understanding at the time of the exit conference following the survey, you should immediately contact me, or the RN Program Coordinator. If further clarification is necessary, I can arrange for an informal conference at which time your questions relating to the order(s) can be discussed.

A final version of the Licensing Survey Form is enclosed. This document will be posted on the MDH website.

Also attached is an optional Provider questionnaire, which is a self-mailer, which affords the provider with an opportunity to give feedback on the survey experience.

Please note, it is your responsibility to share the information contained in this letter and the results of this visit with the President of your facility's Governing Body.

Please feel free to call our office with any questions at (651) 201-4301.

Sincerely,

A handwritten signature in cursive script that reads "Jean M. Johnston".

Class A Licensed-Only Home Care Provider

LICENSING SURVEY FORM

Registered nurses from the Minnesota Department of Health (MDH) use this Licensing Survey Form during on-site visits to evaluate the care provided by Class A Licensed-Only Home Care Providers. Class A licensees may also use this form to monitor the quality of services provided to clients at any time. Licensees may use their completed Licensing Survey Form to help communicate with MDH nurses during an on-site regulatory visit.

During an on-site visit, MDH nurses will interview staff, clients and/or their representatives, make observations and review documentation. The survey is an opportunity for the licensee to describe to the MDH nurse what systems are in place to provide Class A Licensed-Only Home Care services. Completing this Licensing Survey Form in advance may facilitate the survey process.

Licensing requirements listed below are reviewed during a survey. A determination is made whether the requirements are met or not met for each Indicator of Compliance. This form must be used in conjunction with a copy of the Class A Licensed-Only Home Care regulations. Any violations of the Class A licensing requirements are noted at the end of the survey form.

Please note: Although the focus of the licensing survey is the regulations listed in the Indicators of Compliance boxes above, other rules and statutes may be cited depending on what system a provider has or fails to have in place and/or the severity of a violation. The findings, of the focused survey may result in an expanded survey.

SURVEY RESULTS: ___ All Indicators of Compliance listed above were met.

For Indicators of Compliance not met, the rule or statute numbers and the findings of deficient practice are noted below.

1. MN Rule 4668.0075 Subp. 2**INDICATOR OF COMPLIANCE: # 5**

Based on record review and interview, the licensee failed to provide orientation to home care requirements for two of two employee (A and B) records reviewed. The findings include:

Employee A and B's personnel file did not include documentation of orientation to home care. When interviewed July 14, 2008, the registered nurse/owner stated she had oriented the staff to some of the requirements but not to the rules and statutes. She confirmed there was no documentation of any of the orientation.

2. MN Rule 4668.0140 Subp. 1**INDICATOR OF COMPLIANCE: # 1**

Based on record review and interview, the licensee failed to ensure that client's service agreement was authenticated by the licensee and the client or client's responsible party for one of one client's (#1) record reviewed. The findings include:

Client #1's service agreement, dated May 16, 2008, lacked authentication by the licensee. When interviewed July 14, 2008, the registered nurse /owner verified that she had not signed client #1's service agreement.

3. MN Rule 4668.0140 Subp. 2**INDICATOR OF COMPLIANCE: # 1**

Based on record review and interview, the licensee failed to provide a complete service agreement for one of one client (#1) record reviewed. The findings include:

Client #1's service agreement did not include information on who to contact in case of an emergency or significant adverse change in the client's condition, the method for the licensee to contact a responsible person of the client and the circumstances in which emergency medical services are not to be summoned.

When interviewed July 14, 2008, the registered nurse/owner indicated she had information on authorization for emergency procedure, emergency resuscitation guidelines and an emergency back up plan on a separate form.

A draft copy of this completed form was left with Marlene Iverson, RN/Owner, at an exit conference on July 14, 2008. Any correction order(s) issued as a result of the on-site visit and the final Licensing Survey Form will be sent to the licensee. If you have any questions about the Licensing Survey Form or the survey results, please contact the Minnesota Department of Health, (651) 201-4301. After review, this form will be posted on the MDH website.
