The Coach's Asthma Clipboard Program

Coaches! Referees! Physical Education Teachers!

Every day you work with children who have asthma. Now there's a program especially for you. Go to:

- www.WinningWithAsthma.org,
an online program to check out what a coach should know about asthma.
- Learn asthma basics
 - What to do during an attack
 - How to help athletes manage their symptoms so they can play their very best.

It takes just a few minutes to learn the steps to help your team and maybe even save a player's life!
