## Instructions for Consent to Release

It may be necessary to obtain copies of protected health information in order for MDH to fully investigate your complaint. We must have the **patient's** signed permission in order to obtain information. We have provided a Consent to Release form which will be used to obtain protected health information from your providers. The **patient** should sign and date the enclosed Consent to Release and return it in the envelope provided.

The list of providers may include clinics, physicians, hospitals, pharmacies and any other provider that may have protected health information relevant to your complaint. For each provider listed, please indicate the dates of service, or time period, that is relevant to your complaint.

For example:

Hospital X	July 1 – August, 2008
Dr. Y	September – September, 2008
Clinic Z	November – December, 2008

You may contact us at 651-201-5100 if you have any questions about filling out this form.
