**RECAP from JANUARY PRESENTATION: Film Viewing and Potluck**

In January, we watched *Prayers on the Prairie*, created in partnership by the Council on Asian Pacific Minnesotans and the Minnesota Humanities Center. This documentary examines five distinct religious traditions practiced among many of Minnesota's Asian American Communities – Hinduism, Theravada Buddhism, Chinese Ancestral Worship, Hmong Shamanism, and Islam. For more information on the film, visit [www.minnesotahumanities.org/prayers](http://www.minnesotahumanities.org/prayers).

Following the movie, the group enjoyed time for conversation and, of course, eating during the potluck! Thanks again to everyone who brought delicious dishes to share.

**SAVE THE DATE!**
