Pre-Summit - Wednesday, June 25, 2008

Summit - Thursday, June 26, 2008

As a provider of continuing education, Stratis Health wishes to ensure balance, independence, objectivity and scientific rigor in its educational activities.

All faculty participating in this conference are asked to disclose to the audience:

- Any significant financial activity or other relationship (a) with the manufacturer(s) of any commercial product and/or providers of commercial services discussed in an educational presentation, and (b) with any commercial supporters of the activity.
- “Off-label” uses of substances or products included in the presentation that are not approved in the United States and/or the status of substances or products that are being investigated for such use.

The intent of this disclosure is not to prevent a speaker with a significant financial or other relationship from making a presentation, but rather to provide listeners with information on which they can make their own judgments. It remains for audience members to determine whether the speaker’s interests or relationships may influence the presentation. (Stratis Health does not view the existence of these interests or commitments as necessarily implying bias or decreasing the value of the speaker’s participation.)
