Minnesota e-Health Summit 2006

Building Momentum

Thursday, June 29, 2006

8:00 a.m. – 6:00 p.m.

**The Northland Inn
Brooklyn Park, Minnesota**

Minnesota e-Health Summit 2006 provides you a unique opportunity to learn firsthand from national and state leaders about current progress and future directions for e-Health in Minnesota. The efforts support the Minnesota e-Health charge to empower consumers, connect clinicians, and protect communities.

Audience

Anyone working on local or regional health information exchange will want to participate in Minnesota e-Health Summit 2006, including professionals working in clinics, hospitals, long-term care, public health, health systems, managed care and information systems, along with others interested in emerging health information technology (HIT).

New in 2006

- **Pre-Summit Workshop: *Are you ready for EHR?***
Participants will step through a practical method to determine their next steps for implementing EHRs in their setting during this four-hour workshop. Registration is separate from the Summit. Fee includes lunch and materials. Wednesday June 28, 2006, Noon to 5:00 p.m.
- **Minnesota Project Showcase and Vendor Expo**
Representatives of organizations using HIT as well as a variety of HIT vendors will be available to answer your questions throughout the day. After the breakout sessions conclude, Summit participants will get a **Taste of e-Health** when refreshments are mingled in among the demonstrations and exhibits.
