Re: Event ID: 230013-H1

Dear Administrator:

On April 29, 2026, a survey was completed at your agency for the purpose of assessing compliance with State licensing regulations. At the time of survey, the survey team from the Minnesota Department of Health, Health Regulation Division, noted no violations of the requirements under MN Rule 4664.

Attached is the Minnesota Department of Health order form stating that no violations were noted at the time of this survey. The Minnesota Department of Health is documenting the State Licensing Correction Orders using federal software. Please disregard the heading of the fourth column which states, "Provider's Plan of Correction." This applies to Federal deficiencies only. There is no requirement to submit a Plan of Correction.

Please feel free to contact me with any questions.

Sincerely,

A handwritten signature in black ink that reads 'H. Zahler'.
