RE: CCN: 245227
Cycle Start Date: April 20, 2024

Dear Administrator:

On April 20, 2024, a survey was completed at your facility by the Minnesota Department of Health to determine if your facility was in compliance with Federal participation requirements for skilled nursing facilities and/or nursing facilities participating in the Medicare and/or Medicaid programs.

This survey found the most serious deficiencies in your facility to be isolated deficiencies that constituted immediate jeopardy (Level J),

The Statement of Deficiencies (CMS-2567) is being electronically delivered. Because corrective action was taken prior to the survey, past non-compliance does not require a plan of correction (POC).

REMOVAL OF IMMEDIATE JEOPARDY

On April 16, 2024, the situation of immediate jeopardy to potential health and safety cited at F689 was removed.
