Dear Administrator

On October 15, 2025, a survey was completed at your facility by the Minnesota Department of Health to investigate a complaint to determine if your facility was in compliance with Federal participation requirements for skilled nursing facilities and/or nursing facilities participating in the Medicare and/or Medicaid programs. The investigation resulted in no deficiencies being issued.

At the time of the investigation, the investigator also assessed compliance with Minnesota Department of Health Nursing Home Rules. The investigator from the Minnesota Department of Health, found no violations of these rules promulgated under Minnesota Statute section 144.653 and/or Minnesota Statute section 144A.10.

The Minnesota Department of Health is documenting the State Licensing Correction Orders using federal software. Please disregard the heading of the fourth column which states, "Provider's Plan of Correction". This applies to federal deficiencies only. Electronically attached is your copy of the Federal Form CMS-2567 stating that no violations were noted at the time of this investigation.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Joanne Simon', with a horizontal line extending to the right.
