RE: CCN: 245544
Cycle Start Date: May 6, 2022

Dear Administrator:

**Please note that this facility has been chosen as a Special Focus Facility (SFF). CMS' policy of progressive enforcement means that any SFF nursing home that reveals a pattern of persistent poor quality is subject to increasingly stringent enforcement action, including stronger civil monetary penalties, denial of payment for new admissions and/or termination of the Medicare provider agreement.**

On May 24, 2022, we notified you a remedy was imposed. On September 8, 2022 the Minnesota Department of Health completed a revisit to verify that your facility had achieved and maintained compliance. We have determined that your facility has achieved substantial compliance as of August 30, 2022.

As authorized by CMS the remedy of:

- Discretionary denial of payment for new Medicare and Medicaid admissions effective June 8, 2022 be discontinued as of August 30, 2022. (42 CFR 488.417 (b))

In our letter of May 24, 2022, in accordance with Federal law, as specified in the Act at § 1819(f)(2)(B)(iii)(I)(b) and § 1919(f)(2)(B)(iii)(I)(b), we notified you that your facility is prohibited from conducting Nursing Aide Training and/or Competency Evaluation Programs (NATCEP) for two years from May 16, 2022. This does not apply to or affect any previously imposed NATCEP loss.

The CMS Region V Office may notify you of their determination regarding any imposed remedies.

Feel free to contact me if you have questions.

Sincerely,

Kamala Fiske-Downing

Re: Reinspection Results
Event ID: O9HY12

Dear Administrator:

On September 8, 2022 survey staff of the Minnesota Department of Health - Health Regulation Division completed a reinspection of your facility, to determine correction of orders found on the survey completed on May 6, 2022. At this time these correction orders were found corrected.

Please feel free to call me with any questions.

Sincerely,

Kamala Fiske-Downing
