RE: CCN: 24E166

Survey Cycle Start Date: December 20, 2021

Dear Administrator:

On December 20, 2021 a survey was completed at your facility by the Minnesota Department of Health to investigate complaints to determine if your facility was in compliance with Federal participation requirements for skilled nursing facilities and/or nursing facilities participating in the Medicare and/or Medicaid programs. At the time of survey, the complaints were found to be both unsubstantiated and substantiated. However, the facility was found to be in compliance because corrective action was taken prior to the on-site investigation. Therefore, at the time of the investigation, the facility was found to meet federal requirements. A plan of correction is not required.

Also at the time of this survey, the investigator also assessed compliance with Minnesota Department of Health Nursing Home Rules. The investigator from the Minnesota Department of Health, found no violations of these rules promulgated under Minnesota Statute § 144.653 and/or Minnesota Statute § 144A.10.

The Minnesota Department of Health is documenting the State Licensing Correction Orders using federal software. Please disregard the heading of the fourth column which states, "Provider's Plan of Correction." This applies to federal deficiencies only.

Electronically attached is your copy of the Federal CMS-2567 Form and State Form.

Feel free to contact me if you have questions.

Sincerely,

Kamala Fiske-Downing
