Re: Project Number Event ID: DQP11

Dear Administrator:

The above facility survey was completed on May 10, 2021 for the purpose of assessing compliance with Minnesota Department of Health Supervised Living Facility Rules. At the time of the survey, the survey team from the Minnesota Department of Health, Health Regulation Division, noted no violations of these rules promulgated under Minnesota Stat. section 144.653 and/or Minnesota Stat. Section 144.56.

Attached is the Minnesota Department of Health order form stating that no violations were noted at the time of this survey. The Minnesota Department of Health is documenting the State Licensing Correction Orders using federal software. Please disregard the heading of the fourth column which states, "Provider's Plan of Correction." This applies to Federal deficiencies only. There is no requirement to submit a Plan of Correction.

Please note it is your responsibility to share the information contained in this letter and the results of this visit with the President of your facility's Governing Body.

Feel free to contact me with any questions related to this letter.

Sincerely,

A handwritten signature in black ink that reads 'Kim Tyson'.
