Facility Address: 2701 West Superior St. STE 101			Time of Visit: 1:00 - 4:00 p.m. & 8:30 a.m. - 12:30 p.m.	Date Concluded: January 3, 2017

☒ Home Care Provider/Assisted Living

Allegation(s):

It is alleged that several clients were financially exploited when the alleged perpetrator (AP) took the clients' money.

- ☒ State Statutes for Vulnerable Adults Act (MN Statutes, section 626.557)
- ☒ State Statutes Chapters 144 and 144A

Conclusion:

Based on a preponderance of evidence, financial exploitation occurred when 25 of 26 clients reviewed were financially exploited by the alleged perpetrator (AP) when s/he took the clients' money.

All the clients received comprehensive home care services from the provider.

Interview with the nurse revealed the provider received complaints from all 26 clients of missing money, beginning in January 2016 and ending in June 2016. The provider notified the police each time, along with the Office of Health Facility Complaints. The nurse indicated s/he worked with the police investigating each incident but s/he and the police were unable to determine who the AP was. The nurse said s/he and the police obtained permission from a client to install a hidden camera in the client's room in June 2016, and planted \$120 cash in a card in the client's room, in view of the camera. The nurse said s/he observed the AP on camera take the \$120 from the card and place the money in his/her pocket. The nurse called the police. The facility eventually installed surveillance cameras throughout the facility but they were not fully operational until August 2016.

Document review of a police report revealed police responded to the facility after the nurse caught the AP on camera taking the planted money from the card in the client's room. Police interviewed the AP, and the AP admitted to taking money from four clients, in addition to the planted money. The police issued a citation to the AP for misdemeanor theft.

Facility Name: Full Circle Senior Living Inc.

Report Number: HL24424011, HL244240012, & HL244240013

Document review, interviews with staff, interviews with clients, and communication with police revealed the client losses totaled \$3018.00 between January and June 2016. Document review, interviews with staff, interviews with clients, and interviews with police revealed the AP worked at the facility during the loss time frame for 25 of 26 clients and was the primary suspect for each of the thefts that occurred between January and June 2016.

Attempts to interview the AP were unsuccessful.

Document review revealed a police report dated June 21, 2016 which indicated police and RN-A got permission from C4 to place a hidden camera in C4's room and the facility planted \$120, in \$20 bills, in C4's room in camera view on June 20, 2016. Police were called to the facility by RN-A to interview a staff member who had been observed by RN-A on the camera taking the \$120 from the card planted in C4's room. The report revealed police interviewed ULP-AA and she admitted to taking the \$120 from the card, \$10 from C1, \$20 from C2, \$40 from C3, and \$40 from C26. During interview with police on August 23, 2016 at 3:28 p.m. the police officer who investigated the thefts and wrote the report said based on his investigation he did not have any other suspects in the thefts and believes ULP-AA is responsible for all the thefts at the facility. He issued a citation to ULP-AA for misdemeanor theft for the thefts she admitted to from C1, C2, C3, and C26 as well as the theft of the \$120 from the facility. A undated policy titled "Minnesota Home Care Bills of Rights for Assisted Living Clients of Licensed Only Home Care Providers" indicated on page two that clients have a right to be free from financial exploitation and all forms of maltreatment covered under the Vulnerable Adults Act.
