08000	Continued From page 2 Based on interview and record review, the licensee did not provide at least one home care service for 41 of 86 clients identified as clients who received services under the home and community-based service (HCBS) integrated license designation, that would otherwise require (separate) licensure under chapter 245D. This practice resulted in a level two violation (a violation that did not harm a client's health or safety but had the potential to have harmed a client's health or safety, but was not likely to cause serious injury, impairment, or death), and was issued at a widespread scope (when problems are pervasive or represent a systemic failure that has affected or has potential to affect a large portion or all of the clients). The findings include: The licensee's (renewal) application for Integrated License: Home and Community-Based Services (HCBS) Designation was signed on May 6, 2025, by owner (O)-A. On page 3, the application directed, "A licensed home care provider with an integrated license: HCBS designation (designation) must comply with the requirements for home care providers governed by Minnesota Statutes, sections 144A.43 - 144A.484. The licensee was also directed to indicate with a check mark any basic support services (as defined in 245D.03) that they will provide. The licensee indicated they were enrolled to provide five (5) of the eight (allowed) basic support services. On March 2, 2026, at 11:45 a.m., O-A indicated via email they served 41 clients under DHS.	08000
