POLICY 101 AND BEYOND: POLICY, SYSTEMS, AND ENVIRONMENTAL CHANGE

Come Aboard!

The Statewide Health Improvement Program (SHIP) is Expecting You

This Webcast is designed to assist Community Health Boards and Tribal Governments who are interested in applying for funding from the Statewide Health Improvement Program (SHIP).

In this two-hour session, Donna Nichols, M.S. Ed., C.H.E.S., the principal health promotion policy and partnership manager for Directors of Health Promotion and Education (DHPE), will address Policy, Systems, and Environmental Change for obesity and tobacco use prevention. This event will help CHBs and Tribal Governments define Policy, Systems, and Environmental Change and will provide examples and guidance for communities interested in implementing these changes.
