## 3. *Conference on Sexual Exploitation of Teens*

The *Conference on Sexual Exploitation of Teens*, sponsored by the U.S. Department of Health and Human Services, is a national conference that covers issues related to protecting teens from sexual exploitation by older partners.

### **Conference goals**

- ▶ Providing a forum in which government officials, national youth-focused organizations and service providers can engage in multi-disciplinary discussions about protecting teens from exploitive relationships with older partners.
- ▶ Gaining a better understanding from existing research about exploitive relationships between teens and their older sexual partners and to explore data and research gaps that, when improved, can lead to better prevention and protective interventions.
- ▶ Discussing current programs and laws designed to protect teens, including reporting sexual assault and sexual exploitation of teens and management of these cases
- ▶ Building collaboration and communication among law enforcement, health, education, and social services providers relating to helping teens resist and reject exploitive relationships.

## 7. Carbon Beings

Do you work with youth with difficult behaviors? Come join Cheryl Gordon of [Carbon Beings](#), she'll help you learn how to create a healthier environment for yourself and the young people you support.

The flier announcing the Carbon Beings class, sponsored by the [Minnesota Youth Work Institute](#), went out later than planned and many people didn't have a chance to take advantage of the early registration discount. For that reason, and because many people are looking for help dealing with youth who exhibit difficult

behaviors, Minnesota Youth Work Institute is offering the workshop at a discounted rate (\$30) if you register by Friday, March 18. If you're a member of TCYC, there's an additional \$10 discount.

The class will take place on Tuesday, March 22 from 9:00-12:00 at Park Avenue Foundation/United Methodist Church, 2400 Park Avenue, Minneapolis, MN 55407

Further information and registration is available from the [Minnesota Youth Work Institute](#), (612)624-1999.

## **11. Position opening: Sexual Violence Prevention Coordinator, MN Coalition Against Sexual Assault**

The [MN Coalition Against Sexual Assault](#) announces a new position opening, Sexual Violence Prevention Coordinator. The objective of this position is to build the capacity of community based programs to develop and implement comprehensive sexual violence primary prevention initiatives.

### **Position Description**

This is a full time position whose primary goal is to organize and build capacity of community-based statewide violence prevention efforts to understand and prevent sexual assault. Responsibilities include but are not limited to: providing technical assistance to constituents on primary prevention; convening sexual violence

prevention stakeholders to inform the prevention programming at MNCASA and to provide a forum to share information; policy planning and development, coordinate and participate in existing partnerships: Sexual Violence Prevention Network and Stop It Now! MN; develop and disseminate written materials, curricula and outreach materials.

## **Responsibilities**

- ▶ Develop and distribute prevention resource materials for the Coalition constituency base.
- ▶ Maintain sexual violence prevention resources for use and reference to member programs.
- ▶ Working to help communities establish a coordinated community response to sexual violence prevention.
- ▶ Providing anti violence programs with technical assistance, with an emphasis on collaboration, primary prevention and working within a public health framework.
- ▶ Convening violence prevention stakeholders to develop the Coalition's statewide prevention efforts.
- ▶ Organizing, support, develop and disseminate Annual Sexual Assault Awareness Month activities.
- ▶ Integrating sexual violence prevention messages into existing violence prevention collaboratives.
- ▶ Maintain an ongoing understanding of current research and field assessment of primary prevention curriculum, training and theory.
- ▶ Initiating and participating in all communication vehicles to member constituency, colleagues, policy makers and the general public.
- ▶ Provide or coordinate trainings to programs as appropriate.
- ▶ Identification of and action toward promising local policy changes which support primary prevention.
- ▶ Consistent outreach and promotion of promising Coalition primary prevention efforts as well as those of other partner collaboratives.
- ▶ Ensuring that MNCASA and constituent primary prevention efforts encompass the needs of marginalized communities in Minnesota at all times.
- ▶ Other tasks as appropriate.

## **Qualifications**

An applicant with a Bachelor's degree or a Masters degree in public health or related field is preferred. Extensive on the job experience in a related field or comparable combination of career and life experiences will also be considered. Experience in sexual assault advocacy/education, violence prevention, community organizing, or related field is highly desired. Ability to work well with staff, member programs, and the general public, including communities of color and lesbian, gay, bisexual and transgender communities. A demonstrated commitment to eradicating sexual violence and knowledge of its root causes: sexism, racism, heterosexism, classism and other systems of oppression. A demonstrated ability to work in collaboration with a variety of entities, as well as support and enhance a collaborative spirit in communities. Strong written and verbal skills. Loyalty and dedication to the mission of MNCASA. Metro location - statewide and some national travel. Ability to work flexible hours. Previous completion of 40-hour sexual assault advocacy training, or willingness to complete training. Reports to Associate Director.

## 13. Two New Funding Announcements from CDC's Injury Center

### *Urban Networks to Increase Thriving Youth through Violence Prevention (RFA 05042 )*

Application deadline: May 2, 2005

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year 2005 funds for a cooperative agreement to build capacity within U.S. cities to collaborate, plan, and implement youth violence prevention principles, practices, and concepts. This includes building a national consortium of key stakeholders representing the viewpoints of United States cities that can inform and support reframing the public discourse about youth violence prevention. This also includes developing tools, strategies, and messages to build infrastructure and a broad base of support for youth violence prevention and develop a national strategy to direct urban planning and action to prevent youth violence.

### *Enhancing Healthcare Provider's Ability to Prevent Sexual Violence (RFA 05040)*

Application deadline: May 2, 2005.

The CDC announces the availability of fiscal year 2005 cooperative agreement funds to expand the capacity of national professional organizations to address the topic of sexual violence prevention within their constituency of licensed healthcare providers. The purpose of this funding is to support the creation of education and support materials that address sexual violence prevention within an organization that regularly provides professional development opportunities to its constituents. The products will foster the knowledge, skills, and abilities necessary for licensed healthcare providers to address sexual violence prevention in their practices.
