2. Webinar: [The Relationship Between Dating Violence, Sexual Decision-Making, and Teen Pregnancy, January 26, 2006](#)

The National Center for Victims of Crime and the National Crime Prevention Council are sponsoring a free webinar with Dr. Jay Silverman of the Harvard School of Public Health, a leading researcher in the field of interpersonal violence and its effects on teens. This training will present eye-opening research on the dynamics of power and control in teen dating relationships and the prevalence of coerced sex and birth control sabotage among adolescents in abusive relationships.

The Relationship Between Dating Violence, Sexual Decision-Making, and Teen Pregnancy will take place on Thursday, January 26, at 3 p.m. EST.

[The Victim Project](#) has additional information and you can [register for the Webinar via e-mail](#).

4. Web Conference: *Toward a Community Solution: Advancing Primary Prevention of Violence Against Women*, February 16, 2006

The California Coalition Against Sexual Assault announces Prevention Connection's next web conference: *Toward a Community Solution: Advancing Primary Prevention of Violence Against Women*. This session highlights the Spectrum of Prevention, the foundation of Prevention Connection's web conference and web dialogues. Similar versions of this session were previously presented on March 17, 2005 and June 9, 2005. This session is highly recommended for those who have not attended this session before. Participation in this session is required to participate in future web dialogues.

Toward a Community Solution: Advancing Primary Prevention of Violence Against Women

Thursday, February 16, 2006

2:00-3:30 pm EST (11:00 am - 12:30 pm PST)

Host: David Lee, Prevention Connection

Presenters: Larry Cohen and Rachel Davis of [Prevention Institute](#)

5. *Every Student Connected: Building a School Climate Where Everyone Matters*, March 3, 2006

Every Student Connected: Building a School Climate Where Everyone Matters will include practical strategies for middle and high schools. The keynote speaker is Professor Michael Resnick, University of Minnesota. The Revolution Youth Theater group will perform and there are over a dozen breakout sessions. Topics include:

- ▶ Building a school climate committee that has impact
- ▶ Challenging relational bullying
- ▶ Strengthening school connections with boys
- ▶ Connecting with immigrant students and their families

- ▶ Building a welcoming climate
- ▶ Learning low-cost approaches to building a positive climate
- ▶ Preventing minor acts of disrespect and bullying from escalating

Registration required and due by Feb. 22, 2006.

Space is limited, prepayment is required.

Every Student Connected: Building a School Climate Where Everyone Matters

6. Survivors for Violence Prevention: Advancing Skills Regional Workshops, March 24-25, 2006

The Survivors for Violence Prevention, Inc. (SVP) will convene *Advancing Skills Regional Workshops I & II*, during the spring of 2006. The initiative includes two 2-day workshops, one will occur in Minneapolis, MN and the other will be convened in Boston, Massachusetts.

During this initiative, SVP will draw upon a long-standing partnership with the widely recognized Professor, Deborah Prothrow-Stith, M.D., of the Harvard School of Public Health, along with the [Harvard Youth Violence Prevention Center](#) to carry out this effort.

For more information, [e-mail the Harvard Youth Violence Prevention Center](#) and request to be put on the mailing list to receive the registration form. Some scholarships will be available. Day one will feature an invitational SVP Mentor Program, and a community forum will be held the second day. Participants must register to attend either or both sessions. For further information contact [Helen J.M. Bassett](#), (651) 201-5991.

Advancing Skills Regional Workshops I

March, 24-25, 2006, Minneapolis, MN

Advancing Skills Regional Workshop II

April, 21-22, 2006, Boston, Massachusetts
