1. April is Sexual Assault Awareness Month!

Sexual Assault Awareness Month (SAAM) is observed in April and is the month dedicated to making a concerted effort to prevent and raise awareness of sexual violence and its prevention through special events, although such activities may occur at any time throughout the year. Recognizing SAAM each year highlights sexual violence as a major public health problem and reinforces the need for prevention efforts. More information is available from the [National Sexual Violence Resource Center](#). For information on upcoming Minnesota activities and events link to the [Minnesota Coalition Against Sexual Assault](#) and the [MN Coalition for Battered Women](#).
