2. Two advanced online courses on human trafficking and

slavery, Summer and Fall 2006

This summer and fall, two advanced online courses on human trafficking and slavery will be offered at the University of Rhode Island. The courses will be taught entirely online, so you can enroll and complete these courses from anywhere in the world. These courses are appropriate for advanced undergraduate students, graduate students, and professionals working in the field.

Summer 2006

May 22 to July 28, 2006

[Human Trafficking and Contemporary Slavery](#) (WMS 490)

This course focuses on contemporary human trafficking and slavery, including sex trafficking, bonded labor, forced labor, child soldiers, and domestic servant slavery. During the Summer session, the University of Rhode Island offers a substantial reduction in the tuition rate. [More information](#) on registering for this course, is available online or you can contact [Julie Reynolds](#), at the summer sessions office, (401) 874-2107.

Fall 2006

Sept 6 to Dec 11, 2006

Campaigns and Services for Victims of Trafficking and Slavery (WMS 490)

This course focuses on historical and contemporary campaigns for ending human trafficking and slavery and on providing services to contemporary victims of human trafficking and slavery.

These advanced level courses on human trafficking and slavery are intended to become part of a Graduate Certificate in Human Trafficking and Human Rights. The course and certificate proposals have been approved by the Women's Studies Program at the University of Rhode Island. Final approval by the URI Board of Governors is expected by the end of the next academic year.

4. Is YouTube the next MySpace?

For parents who have been paying attention to the explosive popularity of online teen hangout MySpace.com, make sure you log into YouTube.com as well. This online video-sharing site is another popular website where teenagers can "express themselves." While YouTube.com and other video sharing sites can be fun places for teenagers to share their digital creations, things can get out of hand on this unsupervised online environment where pushing the envelope is considered cool. [MediaWise](#) has tips for parents about these sites.

5. Prostitution is Sexual Violence

[Prostitution is Sexual Violence](#)

By Melissa Farley, Ph.D.

Psychiatric Times

October 2004

"Even today, some assume that prostitution is sex. In fact, prostitution is a last-ditch means of economic survival or 'paid rape,' as one survivor described it. Its harms are made invisible by the idea that prostitution is sex, rather than sexual violence."
