

Patient Continued Use Survey

(To be distributed after 2 months of no medical cannabis purchasing activity)

Learning from the experience of participants is an essential part of the Minnesota Medical Cannabis program, and the Minnesota Department of Health Office of Medical Cannabis is interested in finding out whether you have decided to stop purchasing medical cannabis, and about the reasons you may have for doing so. The survey consists of four questions, and requires approximately 5-10 minutes to complete. Your responses help us represent your voice as a participant in this program, and enable us to describe the benefits and hardships that come with participation.

1. Do you believe that you have benefitted at any point from using medical cannabis?

(1-no benefit; 4-some benefit; 7-a great deal of benefit)

1 2 3 4 5 6 7 No opinion/Do not know

2. Have you decided to stop purchasing medical cannabis through the MN Medical Cannabis Program? (If No or Not Sure, skip to question 5)
 - A. Yes
 - B. Not Sure
 - C. No
3. Why have you decided to stop purchasing medical cannabis? (choose all that apply)
 - A. I am unable to afford medical cannabis
 - B. The benefits I have experienced from medical cannabis do not justify the expense
 - C. Medical cannabis didn't work or hardly work at all for me
 - D. The side effects of medical cannabis were too bad
 - E. I no longer need medical cannabis because of improvement in my medical condition or changes in its treatment
 - F. The logistics of treatment with medical cannabis are too difficult (i.e. travel to Cannabis Patient Centers, certification process, etc.)
 - G. Other reason(s)- please specify:
