[Kelly Robinson] You know we’re just folks trying to help. You know forget that we’re nurses and doctors, you know, we just really wanna get folks safe.

[Victor Martinez] And the main thing we want to do out here is help people feel comfortable, safe we just really wanna get folks safe and know that this is something good for them.

[Kelly Robinson] I understand people who have been on the fence. So my thing is, come in, ask the question, if you don’t get vaccinated today we’ll be here for six weeks, come back.
