Food, beverage and lodging establishment definitions

Category 1 establishment provides one or more of the following:

Pre-packaged food that is served in the package; continental breakfast such as rolls, coffee, juice, milk and cold cereal; serves beverages; cleans eating, drinking or cooking utensils or is a child care facility licensed under MN Statutes, 245A.03; a food establishment where the method of food preparation is low-risk as defined by MN Statutes, 157.20 subd. 2(c).

Category 2 establishment is not a category 1 establishment and is either a food establishment where the method of food preparation is medium risk as defined by MN Statutes, 157.20 subd. 2 (b); an elementary school or secondary school as defined in MN Statutes, 120A.05.

Category 3 establishment is not a category 1 or 2 establishment and is either a food establishment where the method of food preparation is high risk as defined by MN Statutes, 157.20 subd. 2 (a); an establishment where 500 or more meals are prepared each day and served at one or more locations.

Additional food service - a location at a food establishment, other than the primary food preparation and service area, used to prepare or serve beverages from a bar or prepare food to the public.

HACCP - an annual fee category for a business that performs one or more specialized process that requires an HACCP plan as required in chapter 31 and MN Rules, chapter 4626.

Individual water - a private water supply other than a community public water supply.

Individual sewer - a private sewage treatment system, which uses subsurface treatment and disposal.

Lodging per unit - the number of guest rooms, cottages, or other rental units of a hotel, motel, lodging establishment, or resort, or the number of beds in a dormitory.

Plan review fee schedule

The plan review fee is a separate fee from the license fee. After your plan review application has been reviewed and approved, you will receive a food license application from the Sanitarian noted in your approval report.
