

# Questions and Answers Regarding the Swab Team Services Grant RFP

2019

**This document will be updated as questions are submitted.**

Q: Can you send me the SWIFT Contract Number and/or proposal numbers need(ed) in our RFP?

A: If you are referring to the “SWIFT Contract Number (insert grant number)” in the upper right hand corner of “Attachment A: Sample Grant Agreement”, please note that Application A is only for informational purposes so applicants can see the general terms of an MDH contract. Applicants do not need to complete Attachment A: Sample Grant Agreement. If your organization is awarded a swab team grant, a SWIFT Contract Number will be assigned at that time.

Q: I had a question as to whom could apply for the grant. Is it for nonprofit organizations only or can general contractors apply as well? Thank you.

A: Eligible applicants are nonprofit organizations. Organizations must have current 501(c)3 status from the IRS.

Q: If I am reading this correctly, [Local Public Health Agency] is not eligible for this funding. Is that correct?

A: That is correct, [Local Public Health Agency] would not be eligible to apply for the Swab Team Grant - unless the [Local Public Health Agency] has a non-profit subsidiary.
