

Service Provider Fee and Credentialing July Update

X-RAY UNIT INFORMATION NOTICE

Date: July 10, 2025
To: X-ray Service Providers
From: Environmental Health Division | X-ray Unit
Subject: UPDATE: MDH Service Provider fee and credentialing

We are sending this update to thank you for your continued patience and cooperation as MDH implements the service provider changes enacted by the 2025 Legislature.

We want to share that the effort is still ongoing to make the necessary system updates to add the service provider fee and credentialing categories. At this time, we do not have a firm completion date for these updates.

If you have questions about your July service provider renewal, please reach out to the X-ray Unit by email or phone.

As a reminder, the new X-ray equipment and facility fee amounts are updated and listed in the [X-ray Unit Initial Registration Form](#). There will be no change to the current renewal process in the Online X-ray Registration System. We will keep you updated on progress.
