

Notice of Statutory Fee Increases Effective July 1, 2025

X-RAY UNIT INFORMATION NOTICE

Date: June 23, 2025
To: X-ray Registrants, X-ray Service Providers
From: Environmental Health Division | X-ray Unit
Subject: Notice of statutory fee increases effective July 1, 2025

During the 2025 special session, the Minnesota Legislature increased fees for ionizing radiation-producing equipment, including the base facility fee, and added a new fee for service provider registration. The new fee amounts are effective July 1, 2025, and are listed below. (See [Laws 2025, Chapter 3, Article 1](#))

- Base facility fee: \$155
- Medical or veterinary equipment: \$130
- Dental X-ray equipment: \$60
- X-ray equipment not used on humans or animals: \$130
- Devices with sources of ionizing radiation not used on humans or animals: \$130
- Security screening system: \$160
- Radiation therapy and accelerator X-ray equipment: \$1,000
- Industrial accelerator X-ray equipment: \$300

Statutory changes for service providers were also made during the special session. These changes include new credentialing categories and a registration fee of \$115.

The Department of Health is working to implement these fee and policy changes, and the X-ray Unit will be sending additional communication. We appreciate your cooperation during this transitional period.

For questions, please reach out to the X-ray Unit by email or phone.
