Elevator Boring Contractor Qualification Application

An elevator boring is a bore hole or excavation constructed to install an elevator hydraulic cylinder. Constructing, repairing, and sealing elevator borings in the state of Minnesota requires licensure by the Minnesota Department of Health (MDH).

The licensing process consists of three steps, to be completed in order:

1. Submitting a qualification application,
2. Passing a written examination, and
3. Submitting a license application.

In addition, each successful licensee will have to pay the license fee, and pay the fee to register drilling machines and hoists, and provide evidence of a corporate surety bond. A bond of $10,000 is required for applicants for an elevator boring license. This license bond is required in addition to any other bonds that the licensee may hold (such as a bond for a plumbing business). Individuals licensed in multiple limited well contractor categories will need only one bond. Each licensed individual will also have to obtain two contact hours of continuing education from an MDH-provided or MDH-sponsored program, beginning in the first full year of licensure.

Carefully complete the application, and arrange to have the three reference letters completed and returned to MDH, Well Management Section. An incomplete application or an improperly completed application will be returned to you and may cause a delay in the licensing process. Mail the application to the address listed at the top of the application.

You will be notified by mail when you are eligible to schedule the written examination. Study materials to aid you in preparation for the written examination will be sent to you with your notification to schedule the written examination. It is recommended that you read these materials carefully. You must pass the written examination within one year of being notified. You must then complete the licensing process within one year of passing the examination. Should you have any questions, please contact the Well Management Section at 651-201-4591.

Requirements

In accordance with Minnesota Rules, part 4725.0650, subpart 8, an applicant to be a representative for an elevator boring contractor licensed to construct, repair, and seal an elevator boring must have two years of experience related to the construction, repair, and sealing of elevator borings. A year of experience is a year in which the applicant designed, supervised, or actually constructed three elevator borings.
Qualification Application
for Certified Representative or Explorer Responsible Individual

Read and follow the enclosed Instruction Sheet.
1. Read the Tennessen Warning information on the last page.
2. Make check or money order payable to the Minnesota Department of Health (MDH) or pay by credit card using the enclosed Credit Card Payment Information form.
3. Returned checks are subject to a $30 fee per Minnesota Statutes, section 604.113, subdivision 2(a). Licenses that have been issued will be canceled.
4. Fees submitted with this application are nonrefundable per Minnesota Rules, part 4725.0350, subpart 3.
5. Mail completed application, payment, and supporting documentation to MDH’s address listed above.

Well Management Section Certification Types
Designate the type of certification for which you are applying by putting an "X" in the appropriate square. A separate application must be filled out and submitted for each certification request.

- $75 Bored Geothermal Heat Exchanger Contractor (233)
- $75 Dewatering Well Contractor (211)
- $75 Elevator Boring Contractor (221)
- $75 Environmental Well Contractor (362)
- $75 Explorer Responsible Individual (225)
- $75 Pump, Pitless, and Screen Contractor (365)
- $75 Well Sealing Contractor (251)
- $75 Well Contractor (253)

Arrange for the three attached reference letters to be sent to the Minnesota Department of Health by those listed above. All three letters must be received before your application is reviewed.
Reference Letter — Elevator Boring Contractor

To _______________________________ Name of Applicant _______________________________

The individual above has made application to the Minnesota Department of Health (MDH) to qualify for an elevator boring contractor license to construct, repair, and seal elevator borings. The applicant has listed your name as an individual familiar with the applicant’s work and character. Answers to the following questions are important on behalf of the applicant. Answer all questions to the best of your ability. Type or print in ink and return this questionnaire promptly to the address listed above. Providing false information about the applicant may result in enforcement actions being taken against you.

1. How many years has the applicant been involved in the business of constructing, repairing, and sealing elevator borings? .................................. _____ Years _____ Months

2. Has the applicant been employed by you for work constructing elevator boings? ................................................................. ☐ Yes ☐ No

3. Was the work satisfactory? ................................................................. ☐ Yes ☐ No

4. In your judgment, is the applicant qualified to be licensed for the above activities (please explain below)? ................................................................. ☐ Yes ☐ No

5. Did the applicant personally construct an elevator boring for you or your company? ................................................................. ☐ Yes ☐ No

6. Was the work satisfactory? ................................................................. ☐ Yes ☐ No

7. May we contact you by phone? ☐ Yes ☐ No Telephone Number ______________________ (include area code)
