

Take this half with you

Name _____

November 14, 2016

At this meeting...

- I have identified a potential new partner in my efforts to advance health equity

After this meeting

- I am interested in helping plan the next community conversations on health equity
- I will contact one person to learn more about their approach to advancing health equity
- I am willing to provide insight into how to maximize participation of populations experiencing health inequities in MDH advisory groups
- I am willing to provide insight into the potential work and structure of a new advisory body for Center for Health Equity
- I will work to advance a policy that will strengthen the conditions for health. Specific Policy _____
- Other commitment: _____
