Six Essential Elements
to develop and maintain strategic partnerships

1: Have the right people at the table
- Partners who have:
  - Experience
  - Capacity
  - Readiness
  - Excitement!

2: Agree on a shared vision
- Clear project goals, objectives and activities
- Defined roles and responsibilities
- Consistent communication of project vision
- Collaboration with competing demands

example: BTH partners have a larger scope of work addressing adolescent sexual and reproductive health but when in partnership with BTH our shared work is focused on teen pregnancy prevention.
