MDH Learning Management System (LMS)

The MDH LMS login page is located at

If you have not already done so, you will need to create a MDH LMS user profile at initial login (skip to Register below if you already have a profile). Once you establish a MDH LMS user profile, you will not be required to do so for any other MDH events going forward.

Create a MDH LMS User Profile

1. Go to the MDH LMS login webpage.
2. Select the Register Now button in the top right of the screen.
3. Create a username and password, as well as enter contact information on the page titled Basic information. A red star denotes a required field.
4. Click Submit. You will be logged into your MDH LMS Home Page.

Register

1. Login to the MDH LMS and proceed to your Home Page.
2. Select Browse Training from the left-hand menu.
3. Click the Minnesota Department of Health link to open a list of available learning opportunities.
5. Click on Select Event under this icon.
6. Scroll down to view event information.
7. Click on Add to Cart.
8. Click on the Cart icon in the upper-right.
9. Review your cart contents then click on Proceed to Checkout.
10. Complete Billing Address Information then check the box (if not already checked) that says Same as Billing.
11. Click on Purchase Now in upper right-hand corner.
12. Under Payment Method, select either Checking or Savings (instruction window will pop up) or Credit/Debit Card (complete the required fields).

13. Click Continue.

14. Review payment information then click on Confirm (NOTE - your credit card will be charged as soon as you do this step!). You will receive a payment confirmation from epaynoreply@usbank.com with Payment Confirmation for Minnesota Department of Health in the subject line. This is NOT your final step.

15. A confirmation screen with your confirmation number will pop up. You MUST click on the Complete Registration button. You are NOT registered for the conference until the Shopping Confirmation page appears.

16. Watch for a second email with 2019 Community Health Conference Registration Confirmation in the subject line from do-not-reply@mn.elogiclearning.com.

Registration Tips

- Each person registering for a learning event must establish a MDH LMS user profile and password before registering
- Register one person at a time
- Register in the name of the person who is attending the event
- Use the email of the person who is attending the event

MDH LMS FAQs

- Is there a cost associated with creating a user profile?
  No, there is no charge for creating a user profile or logging into the MDH LMS.

- If I work for another state or local government agency and have an LMS account there, do I need to create a new profile for the MDH system?
  Yes, you will need to create a user profile for the MDH Learning Management System (LMS), regardless of whether or not you already have an account with another LMS. Each system is independent of the others.
