

Injection Drug Use and Infectious Disease Project ECHO FAQs

WEEK OF 8/29/2022

Question: Is there a geographic scope to the project? Specifically, is it focused on Hennepin County, or is it more broad than that?

Answer: The Project ECHO will welcome participants from across the state, but the primary area of focus will be Hennepin County and all applicants must be qualifying organizations located in Hennepin County.

Question: Can you confirm whether the due date is September 12 or September 14?

Answer: The due date is September 14, 2022.

Question: If an organization is a designated ECHO Hub by the University of New Mexico ECHO Institute, does this fulfill the RFP requirement, “registered as a designated ECHO Hub within Hennepin County.” If not, what constitutes being a designated ECHO Hub within Hennepin County?

Answer: Yes. ECHO Hubs designated by the University of New Mexico ECHO Institute fulfill the RFP requirement.
