A Determination In the Matter of
John Wesley Dickinson
Body Art Technician

AUTHORITY

1. The Minnesota Department of Health (MDH) has authority to discipline body art technicians for violations of law under Minnesota Statutes, section 214.131, subdivision 2, and Minnesota Statutes, section 146B.08, subdivision 4. The types of discipline MDH may impose include revocation or suspension of licensure, a civil penalty not exceeding $10,000 which deprives the licensee of any economic advantage and reimburses MDH for costs of the investigation, or any reasonable lesser action.

2. Pursuant to Minnesota Statutes, section 146B.03, subdivision 1, no individual may perform tattooing unless the individual holds a valid tattoo technician license issued by MDH pursuant to statute.

FINDINGS OF FACT

1. John Wesley Dickinson (Hereinafter “Technician”) was licensed as a body art technician—tattoo on September 23, 2011.

2. By application dated May 17, 2011, and received on June 22, 2011, Technician applied for a body art technician--tattoo license. Technician stated he resided in Mankato, MN, and reported he had been working at a tattoo establishment in Sioux Falls, SD, since May 20, 2002. During the application review, Technician was asked to provide additional information to complete his application, including a Verification of Credential from the State of South Dakota and a signed copy of a statement from his employer in Sioux Falls, SD. The completed verification was received on September 1, 2011, and the signed statement was received on September 22, 2011.

3. On September 14, 2011, Investigations and Enforcement (I&E) staff received information that Technician was providing tattoo services at Mecca Tattoo in Mankato, MN. The same day, Technician was notified that he was prohibited from providing body art services in the State of Minnesota until he was licensed.

4. By e-mail dated September 22, 2011, Technician’s employer advised Technician started working at Mecca Tattoo on June 1, 2011.
CONCLUSION

1. Technician did not comply with the requirements under Minnesota Statutes, section 146B.03, subdivision 1, because he worked without a body art technician license from June 1, 2011, to September 23, 2011.

DETERMINATION

1. Technician is hereby reprimanded.

2. Technician is ordered to pay a civil penalty in the amount of $426, representing four months of unlicensed practice and to reimburse MDH for the costs of investigation.
