A Determination In the Matter of
Gilbert Joyse Johnson, Jr.
Body Art Technician

AUTHORITY

1. The Minnesota Department of Health (MDH) has authority to discipline body art technicians for violations of law under Minnesota Statutes, section 214.131, subdivision 2, and Minnesota Statutes, section 146B.08, subdivision 3. The types of discipline MDH may impose include refusal to grant licensure or any reasonable lesser action.

2. Pursuant to Minnesota Statutes, section 146B.08, subdivision 3(3), a technician may be disciplined for violating any provision of Chapter 146B.

3. Pursuant to Minnesota Statutes, section 146B.07, subdivision 1b, no technician shall tattoo any individual under the age of 18 regardless of parental or guardian consent.

FINDINGS OF FACT

1. A complaint was received on July 7, 2010, which alleged that Gilbert Joyse Johnson, Jr., (hereinafter “Technician”) had tattooed a minor (hereinafter identified as “Minor#1”) on July 2, 2010. On July 8, 2010, the same complainant alleged Technician had tattooed a second unidentified minor. The complainant supplied photographs of both tattoos.

2. On August 10, 2010, in response to a Notice of Complaint dated July 19, 2010, Technician telephonically admitted to Investigation and Enforcement (I&E) staff that he had tattooed a minor after July 1, 2010. Technician explained that the appointment had been booked a month in advance, the minor turned 18 years of age after the appointment, and her parents were both present at the time of the tattoo. By letter dated August 28, 2010, Technician again confirmed he had tattooed “Minor#1” prior to her 18th birthday.

3. Technician owns and operates a body art establishment in Albert Lea, MN, known as “The Chapel”. Technician applied for, and was issued an establishment license in November 2010.

4. Technician submitted an application for licensure as a body art technician-dual, received on November 3, 2010. Technician’s application was considered complete on January 31, 2011, when a Verification of Credential executed by the City of Albert Lea, MN, revealed no disciplinary action had been taken or was pending against Technician.
CONCLUSION

1. Technician did not comply with the requirements under Minnesota Statutes, section 146B.08, subdivision 3(3), because he tattooed a minor after July 1, 2010, in violation of Minnesota Statutes, section 146B.07, subdivision 1b.
