Subject: Reinstatement of Minnesota Body Art License

Dear Gabriel Ward,

The Minnesota Department of Health (MDH) received confirmation that we can reinstate with the attached **child support** letter from Hennepin County. MDH received confirmation of this reinstatement on January 22, 2022. Please be advised that there is no longer a suspension on your body art technician license. Your application is no longer affected by this suspension effective immediately.

Please contact Hennepin County if you have any questions regarding the suspension and subsequent reinstatement. Because this matter is resolved, you may apply for a license to perform body art procedures in Minnesota.

If you have questions regarding your licensure, please contact MDH at (651) 201-4200. Thank you for your cooperation in the matter.

Sincerely,
