

Budget Modification Request Instructions (11/21/16)

Your current grant agreement has the following clause:

(c) Budget Modifications. Modifications greater than 10 percent of any budget line item in the most recently approved budget (listed in 4.1(a) or incorporated in Exhibit C) requires prior approval from the STATE and must be indicated on submitted reports. Failure to obtain prior approval for modifications greater than 10 percent of any budget line item may result in denial of modification request or loss of funds. Modifications equal to or less than 10 percent of any budget line item are permitted without prior approval from the STATE provided that such modification is indicated on submitted reports and that the total obligation of the STATE for all compensation and reimbursements to the GRANTEE shall not exceed the total obligation listed in 4.1(b) or Exhibit C.

As noted above you must notify MDH of any budget modifications for the purpose of maintaining an accurate budget supporting the approved work plan. This includes modifications over and under 10% of a line item of the current budget. The attached form can be used for those budget modifications. Please complete the attached form when modifications are needed to the current budget and email to your grant manager.
