**** percentages suppressed if denominator <30

CHB history: Nobles-Rock CHB separated to become Nobles and Rock in January 2012, and Rock joined Southwest CHB. Redwood-Renville separated in January 2013. Redwood joined Southwest in January 2013. Renville joined Kandiyohi in January 2013. Polk joined Norman-Mahnomen in January 2013. Cottonwood-Jackson is known as Des Moines Valley Health and Human Services as of January 2014. Clay, Wilkin, Becker and Otter Tail combined to form Partnership 4 Health as of January 2015. Pine and Kanabec and Isanti and Mille Lacs formed separate CHB's and Beltrami left North Country in January 2017. This document uses 2017 CHB configurations.

Analyses based on one randomly selected record per child. Excludes records with unknown data or errors.

Biologically implausible values (BIV) for weight, height and BMI at a z score +5 removed, which is consistent with previous MN WIC reports for years 2011 to 2016.

For 2017, BIV was defined for weight z score <-5 and >8; height z score <-5 and >4; BMI z score <-4 and >8.

<https://www.cdc.gov/nccdphp/dnpao/growthcharts/resources/sas.htm> These methodologies excluded <1% of all records.

¹Last CHB where children resided as of January of the subsequent calendar year.

²Includes Asian and Native Hawaiian Pacific Islander groups

³Includes children from US and foreign born

⁴Includes Black and Asian Hispanic groups

⁵Total number in weight category (Percentage of total children).

Based on 2000 CDC growth chart percentiles for children 2 years of age and older; underweight is defined as

BMI-for-age < 5th percentile, overweight is defined as BMI-for-age \geq 85th to < 95th percentile,

obese is defined as \geq 95th percentile to < 97.5 percentile, and very obese is defined as \geq 97.5 percentile.
