

memo

DATE: June 3, 2020
TO: WIC Coordinators
FROM: State WIC Staff
SUBJECT: WIC Clinic Supplies - PPE and MMCAP

If your agency is preparing to purchase Personal Protective Equipment (PPE) and it is not available from your usual vendor, MMCAP Infuse is another option. MMCAP is under the MN Department of Administration and manages healthcare contracts for access to supplies. MN WIC Local Agencies have access to these contracts.

Medical supply vendors have PPE and other WIC clinic supplies, including ***gloves, masks, shields, hand sanitizer, and cleaners***. Follow Local Agency guidelines for PPE. The State Agency will provide general guidance in this area mid-June.

Note: Check with vendors on availability of specific products.

PPE EXPENSES

- Use your WIC grant to pay for expenses.
- If your agency uses another source of funds to purchase PPE, you ***cannot also claim*** that expense under the WIC grant.

MMCAP VENDORS

- **McKesson Medical-Surgical**, Contract #MMS18013 mck.mmcap@mckesson.com
- **Henry Schein**, Contract #MMS18000 christina.bowman@henryschein.com
- **Medical Solutions, Inc**, Contract #MMS18013 lmeyers@medicalsolutionsinc.com

STEPS TO GET STARTED

- Establish your MMCAP Infuse membership ID and give it to the vendor. (If you have a membership ID set up to order breastpumps, you can use the same ID.)
- Set up an account with your selected vendor to see contract pricing and availability. When ordering, use your MMCAP ID# and confirm with the vendor that your account is linked to the state contract to get the correct pricing.
- If your organization is tax exempt, inform the distributor of that status.
- Supplies are billed to your agency.

ACTIVATE YOUR MEMBERSHIP

- Contact MMCAP Infuse to get an ID.
 - mmcap.infuse@state.mn.us
