

2021 - 2025 Positive Alternatives Grant Awards with Programs or Services

All grantees are required to support, encourage and assist women in carrying their pregnancies to term and in caring for their babies after birth through providing information on, referral to and assistance with securing specified necessary services.

These services include medical care, supplemental nutrition, housing and childcare assistance, adoption services, parenting education, and education and employment assistance. Grantees are additionally providing the programs and services listed below.

Award amount listed is the annual grantee funding.
